

HILLTOP COMMUNITY MOBILITY PLAN

The photographs below show some parking examples for businesses throughout Columbus.

Above: Busy restaurant on N High St without on-street parking. Parking is located behind the building.

Below: "Wayfinding" sign directs customers to parking in off-street lots along N. High St. The parking is shared between neighboring businesses.

Left: Parking lot between Wayne and Oakley behind storefronts on W Broad St in the Hilltop. This lot is currently vacant weekday mornings, afternoons, and nights. Additional signs can be placed along W Broad St to guide customers to this lot.

Left and right: Bike racks can be placed free of charge in front of businesses that request them.
